Beverage Packages

The Unley Hotel tailors each drink package to your individual function requirements. We have an extensive range of beers, wine and spirits to choose from.

We have multiple options when creating a drinks package for your function.

Bar Tab

A bar tab can be arranged for your function with a specified limit or amount in mind that you feel comfortable with spending. Your bar tab can be reviewed as your function progresses and increased if required. However, we will always ensure you are in control of the amount throughout the event.

At any point you are welcome to turn the bar into a cash bar so your guests can purchase their own drinks. Cash Bar Allow your guests to choose from our extensive beverage selection, which they can purchase throughout your function.

Customised Bar Tab

Prior to the event, you can provide a personalised selection of drinks from our drinks menu. Your guests may order from this list throughout the duration of the function. If they choose to consume something outside of this list, they must purchase the drink for themselves. You may review your bar tab as your function progresses and can be increased if required.

Subsidised Drinks Tab

Guests will pay a portion of drink cost at time of order. The size of that portion is completely up to you!

Add-Ons Cocktails

Treat your guests to a bespoke cocktail on arrival for an additional \$10, \$12 or \$15 per person.

Entertainment

Bring the vibes to your event and let us organise your entertainment:
